MINISTRY

8/7/03 - Apparently you do not read very well. Or you do not perceive very well. You are not the normal Branhamite. Most Branhamites are not dumb. They do have some measure of intelligence. It is their judgment that is faulty. They do not know how to judge things according to the Word and receive all sorts of fantasy and lies.

wouldn't live long! I am not moved by threats of fear and damnation. I have called a spade a spade and a lie a lie by the Word of God. Branham lied when he claimed he was the Elijah of Malachi 4 and he lied when he claimed to be the seventh angel. Jesus already said John fulfilled Malachi, and Branham by his own mouth said the Church was gone after Revelation 3 and from 4 to 19 was for Jews only during the tribulation. How then could he be the seventh angel in Rev 10:1 if this happens after the Church is gone and Branham is gone with the Church? He lied and that is all there is to it!

Let me finish this email in a different tone.

My stand is against Branham and I will continue to stand against him and expose his lies. I am praying for all of you that some how your eyes may be opened to the inconsistencies and outright deception Branham used. If you want to die in his errors I will live with it. I am not chargeable for any of your souls.

Reckardt . I personally have asked you a few straight fwd questions. You have ignored them all. Well it goes to show you are only a person that does not know the Word and Revelationless now hoping to sow discord among the true Bride of Christ that has the revelation of the Word.

Again. Answer truthfully
I challange you in the name of Jesus Christ, Satan you are exposed.

Can Satan cast out Satan?
What happened to that seed of the serpent in Genises, where is it today?
Can Satan heal?
Are you from the seed of Abraham..... the Word says that Christians are, are you?

You know that if you answer this you will have to admit that Br Branham was a man anointed of God.
He by the power of God: Raised the dead
Gave the blind back their sight

John:

It is obvious your mind is muddled to the point you will not accept reality. You live and think in the realm of fantasy. Do you think I quoted dumb men when they said what the wind speed and direction was at the time of the launch of the Thor rocket? Hey guy, when they report the wind speed and direction that settles it. Their reports are based on facts. I'll accept that. You reports are false! Got that false!

I also live in Florida and have witnessed several launches of the space shuttle and other rockets. There are all sorts of weird designs in the upper elevations caused by the vapor and smoke. The upper air troughs and wind whip these into all sorts of shapes. Some even have circle clouds that form. Even volcano's emit circle clouds. What people see in clouds is their own imagination. They own fantasy. There is absolutely no reality in any cloud form, shape, or design. To claim there is shows insanity. But then, people see things in tea leaves, livers, and crystal balls also. So I can understand the power of your deception.

The whole paragraph you wrote about the Thor explosion and cloud being seen and heard by Branham is an insane conclusion. I never said any such thing nor even hinted at such and insane suggestion. Branham was a liar and I would tell him so to his face. If he is alive as you claim then I say it to his FACE RIGHT NOW! WILLIAM BRANHAM YOU WERE A LIAR AND YOU ARE STILL A LIAR! Branham was a liar when he was alive and he is now a dead liar. Yes, there were others who called him a liar when he was alive. These did not die! All he could do was turn and damn them to hell for being in a Pentecostal lodge, Apostolic lodge, or the such like and claim they were part of Rome. Then **here he was a Freemason all the long believing truth came through the zodiac, the pyramids, and the Bible.** The man was a nut. He was out in the twilight zone. He mixed truth with fantasy and lies. No, God did not blow up a rocket to authenticate Branham. Branham was no where near that cloud. He was 190 miles to the south and that cloud was never over Tucson or over the area 40 miles to the north in Sabino Canyon. And, neither you, nor Branham, nor any other nut will be able to get that cloud down there and then back up to Flagstaff. Go ahead and try! Let me see your fantasy work that out!

I have pointed out the lies and errors of Branham in claiming this cloud originated from a visit of angels to him. You can continue to believe the lies and go on to hell if you want. I have chosen not to accept or believe Branham because of his lies and perversions...

I am going to stand for the Jesus name Truth. And, I am going to stand against Branham and Branhamites till I do pass to my reward. I will not receive an antichrist into my home or Church!

Repent all you Branhamites and come out of that mess!

Pastor G. Reckart

Pastor (WreckHeart) Reckart, You missed it when I pointed out that I observed many launches from ignition to 600 miles downrange and 7 million feet in altitude. This certainly includes the atmospheric layers in question. The way I observed the wind was to look at the rocket's long trailing exhaust cloud.

I have videos of this and the exhausts never moved to the east in all of my observations. The exhausts were broken up into random ragged patterns. It is Vandenberg AFB policy to avoid upper atmospheric windshear during a launch because of the possibility of breakup of the missile on passing through the shear. If the wind shear can breakup a missile it can certainly breakup any cloud before it can travel over a supposed 500 miles distance. I don't believe VAFB would launch a missile into a jetstream. Our launch constraints at ground level for the Space Shuttle were that the winds had to be less than 27 miles per hour depending upon the circumstances.

Are you inadvertently implying that The Lord destroyed a Thor missile as a witness to William Branham's sermon? That the Thor missile destruction created a circular cloud? That this cloud was shaped like the outline of the face of Jesus? That within the cloud many, including myself, could see the images of many angels and the figure of a godlike person? That this cloud moved, unbroken, for over 500 miles to Arizona? That perhaps the explosion that Brother Branham heard was the missile breakup over 500 miles away? That would be quite a miracle indeed!

I don't believe you would have the courage to call Brother Branham a liar to his face if he were still here. Brother Branham is still alive just as are Abraham and Isaac and Jacob and any other believer in Jesus, whether still in the flesh or not.

In Jesus, John Mark Kallio publisher, <http://www.tvbn.org>

jesus-me wrote:

John Mark Kallio:

You are wrong! Flat out lying...

I am not dealing in the lower atmosphere clouds and you know it!

The fact is, the cloud appeared at the 140,000-147,000 elevation. At this elevation because there are no normal vapor or smoke clouds, the wind current is not seen or observed. So, do not tell me you observed clouds at this elevation all the time. Your claim would contradict the other claims by the Branhamites that there are no clouds at this elevation and that is what made it a miracle cloud. Who are you trying to fool? The only way the wind speed and direction are detected at that elevation is by balloon soundings which are normally done every day. Unfortunately there were no soundings on 2/28/1963. However, they were made the day before and the day after. According to Science April 19, 1963, Vol 140, No. 3564, "A jet stream lay almost directly under the cloud and over flagstaff, and there were peak winds of 98 knots (113mph) from the northwest (_that is blowing northwest to southeast_) occurring over Winslow at an altitude of about 11 kilometers. (_from 6.6- 7 miles elevation_)./ // For a cloud to pass from the lower atmosphere to the stratosphere it would have to pass through this high wind speed for a distance of almost a half mile thick. If this was the case and a cloud was to pass on up to the stratosphere from a lower elevation, by the time it passed through

the jet stream it would have been carried hundreds of miles to the Southeast. Now, the fact is, Branham claimed this cloud originated right over his head 40 miles north of Tucson in Sabino Canyon on the morning of 6/28/1963. Since the jet stream was blowing Northwest to Southeast there is no way this cloud could be in Tucson in the AM morning and blow nearly due North to be over Flagstaff at 6:30pm that evening. You would have to reverse the direction of the jet stream. So do not spin your lies to me. Why didn't you deal with the wind speeds and directions coming from Tucson toward Flagstaff that day?

Now, because of the elevation of 140,000-147,000 feet of this cloud it was easy to rule out it being a vapor cloud. Vapor clouds are NEVER seen over this section of the country. According to Science, the same issue, there are nacreous clouds that often reach this height in Scandinavia which heights are between 20/30 kilometers and the majority lie between 22 and 28 kilometers/." The only way possible for this to happen is if there is no jet stream present when these vapors are condensed in the -40 degrees at this elevation. James McDonald in his report on this cloud also mentioned the Artic nacreous clouds at the 20-30 Km elevation and there are pictures of them. The only thing missing is the circle shape. But then there were no man-made intrusions and a violent explosion to be witnessed among these clouds either. But, who says it was a vapor cloud? I didn't! I said it was a cloud of smoke and vaporized rocket fuel. It was Vandenberg who said they blew up the Thor rocket at the 147,000 foot elevation around 2:00pm PST on 2/28/1963. I say the smoke and vaporized trails was the result of the explosion in the up motion of the rocket and then when detonated the smoke of its descent and this loop is what configured the cloud in the upper winds and carried 3+ hours due East to be over Flagstaff at 6:30pm MST.

McDonald in his report said this: "The Thor booster of a military satellite-launch was detonated at 44km at 1352 PST almost directly over Vandenberg AFB/." This makes the elevation of the explosion 26.4 miles above the earth at exactly the same elevation the cloud was at over Flagstaff. Here is what he said about the wind speed: "the Pt. Mugu 140,000 -ft winds the following morning were 127mph from the west/." This means the wind speed at the 140,000-147,000 elevation would carry such a cloud due East and the 510 miles from Vandenberg to Flagstaff reached easily by 6:40pm MST exactly as it actually happened.

James McDonald also reported the following: "No sounding was available from Pt Mugu on the 28th; but an Acras launched at 0800 PST on March 1 indicated winds of 127mph from the west at the 140,000 ft and 112 mph from the west at the 150,000 at that time./" Got that John: the wind was blowing from the West to the East.... At no time was the wind at that elevation blowing from the South to the North for Branham's claim to be true.

So do not tell me the wind speed was not there at the elevation of the cloud to carry it from Vandenberg to Flagstaff. You can claim all your eye witness of whatever, but you will be a liar if you claim on the day before and the day after this explosion the winds were NOT FROM THE WEST BLOWING EAST DIRECTLY TOWARD FLAGSTAFF! That cloud was NEVER over or near Tucson, Arizona and Branham lied. People can call it a miracle all they want, but this alleged miracle cloud obeyed all the laws of wind speed and direction. When did it cease being a miracle cloud and became something natural? Beside, Branham said the visitation of the angels was in a vision:

"Realizing that our time is limited here, especially for those friends who are listening in by this telephone, I would like to call your attention this morning to a--a picture that some time ago was taken by the camera of a vision that I had here at the Tabernacle of leaving Indiana to Arizona, where I was to meet in the form of a pyramid, seven Angels. Not knowing what would happen, later when I got there, thinking it was the end of my life,

that no one could stand the blast... (And I'm sure all of you are acquainted with the story.) And then in Sabino Canyon _one morning like this, while in prayer, there had been a sword placed in my hand and said, "This is the Word and --the Sword of the Word." Later the Angels appeared as was prophesied. And at the same time, a great cluster of-- of Light left to where I was standing and moved thirty miles high in the air and around the circle, like the wings of the Angels, and drew into the skies a shape of a pyramid in the same constellation of Angels that appeared (It Is The Rising Of The Sun 04/18/1965)/."

Branham here claims the original shape of the cloud was a pyramid and then high up it became a circle. Notice he said the event of the king's sword, the cluster of light, and the cloud all happened ONE MORNING!

Did he call all this a vision he had? Yes! Here is a quote of his remarks on 3/17/1963: "Now, I went up in the canyon, and I climbed way as high as I could go, and I - I - I asked the Lord, while setting up in there, what all this meant and so forth. I was kinda bothered and didn't know just what to do. And so, while I was praying, and strange thing happened. I - I - I want to be honest. Now, I could've fallen asleep. It could've been like a trance, or it could've been a - a vision. I'm more less inclined to believe that it was a vision_ that... I had my hands out saying, "Lord, what does this blast mean, and what does these seven Angels in a constellation of - of the pyramid_, picking me up from off the ground and turning eastward: what does it mean (The Breach Between The Seven Church Ages And The Seven Seals)?"

Branham knew one thing, he was not claiming he say this naturally or he would not have taken such labor to figure it out as a sleep-dream, a trance, or a vision. He finally concluded after a reality check that it had to be a vision. So he saw angels come to him in the figure of an inverted pyramid "V" and the saw a light and a cloud all in a vision. This is his own words. I am not making any of it up. I can say from experience of visions I have had that no part of the visions took on a material physical nature. In other words, if he saw a cloud in a vision how then did something in a spiritual dimension take on a natural material physical nature? For Branham to snatch this cloud over Flagstaff and make it a part of his Sabino Canyon vision shows his falsehood. How come he did not mention the cloud four (4) days later in Houston? How come he didn't mention this in any of his meetings in March of 1963 when he allegedly unveiled the seven seals. He didn't mention the cloud ONE TIME!

He embellished his Sabino Canyon experiences with this cloud story AFTER he read about it in Life Magazine AND NOT BEFORE!

The cloud was a result of the Vandenberg explosion at the 140,000 foot elevation. This same cloud slowly dissipated and changed shape right over Flagstaff.

Branham lied about the cloud. And that settles that! All who continue to use his lies to legitimize his alleged pophecies are liars as well!

If you intend to persuade others that what I have written above is not true, then you have shown you are a liar just like Branham. Why would you deny something documented?

Now, since you are such a claimed expert, show us how a cloud in Sabino Canyon could be over Flagstaff at 6:30pm at the 140,000 foot elevation?

All of you in Branham false doctrines must repent and come out of that mess.

Subject: Re: Come back to the Word

Pastor Reckart, You don't seem to be responding to facts that I and others have relayed to you about the cloud. It is a lie that the cloud came from VAFB. I worked at VAFB for 8 years and have lived next to the base for almost 20 years. I have seen many many launches. The clouds formed during launches do not travel east. I have never seen them travel east. I live east of the base and the clouds have never passed over my house. I live about 5 miles east of VAFB. The clouds have remained to the west of my house. I can link you to color video tape if you like. Any clouds formed become disorganized very quickly. I have never observed the formation of a circular cloud here.

If such a cloud had formed it would have broken up very quickly. I have helped launch and witnessed Delta rocket launches (formerly known as Thor rockets which you mention). We launched them from SLC-2 (Space Launch Complex 2). Another common Minute Man missile travels 7 million feet above the earth. None of the resulting cloud trail travels 500 miles east to Arizona although it is visible from Arizona. If you ever witness a night launch of the Space Shuttle you will find that it is visible for over 600 miles distance. I have video of such a night launch. Coincidentally, I spent last night in Flagstaff, Arizona. I have witnessed the destruction of several rockets at VAFB of various types. The largest destruction created a 10,000 foot tall red cloud that looked like an a-bomb. It came close to destroying the blockhouse containing 400 people. Many of these were my friends. It flattened empty surrounding buildings. The red poison cloud never traveled over Lompoc which is about 10 miles to the east. Lompoc would have been evacuated if the cloud had traveled east.

None of the destructions I witnessed resulted in a circular cloud. Your credibility is very low in my estimation because you continue to say things about the cloud that are impossible to have occurred. I am not a Branhamite but I do believe that a minister who tried to prove him a liar in Canada contracted the very disease he lied to William Branham about having. The minister subsequently sued Brother Branham for giving him the cancer he lied on the prayer card about. He gave himself the cancer by lying to the Holy Spirit. Brother Branham told the minister about how the lie on the prayer card was now the truth.

Demos Shakarian said Brother Branham was never wrong about the contents of the prayer cards (Brother Branham was able to detect lying on the prayer cards when it occurred even though he had not read the card himself). **Without reading the prayer cards he knew what was on them** and whether they were a lie or the truth. T.L. Osborne thought highly enough of Brother Branham to preach at his funeral. Why should we listen to you more than to them? You don't seem to be a very mature Christian. In Jesus, John Mark Kallio publisher <http://www.tvbn.org>

The Lord Jesus has been confirming the Word of God I preach since 1972. Many, many have repented, have been baptized in the name of Jesus Messieh (Christ), and been filled with the Holy Ghost. Many, many have received miracles of all kinds. Many souls have come into holiness and separation from the world through my Ministry. And I didn't need the words of a lying prophet one time. I converted the sinner to Jesus through the words of the Apostles Doctrine, not through Branham's tapes and books.

So, keep dreaming that the Lord is not working in the Kingdom outside you Branhamites. You are deceived about this also. You people won't answer why Branham said truth can come through the zodiac will you? You people won't answer why he said it was ok to join the cult of the Masonic lodge will you? You people won't answer why he lied about the cloud either. He lied about it was ok to be a member of the Masonic lodge. He was a liar. He was a false prophet. All of you had better repent of spreading his lies and come out of that man-made cult. Pastor Reckart is from me, then it's no good, because there's no good in a man. See? They [prophets] had THUS SAITH THE LORD from their birth. And everybody knowed that what they said come to pass. They had the Word of the Lord.

YOU BLIND PASTOR LEADING THE BLIND, WILL NOT STOP YOUR LIES. THE BIBLE SAYS THE RAIN FALLS ON THE JUST AND UNJUST AS WELL. THOSE BELIEVERS YOU CLAIM TO MAKE ARE FILLED WITH THE HOLY SPIRIT NO DOUBT BUT IT IS NOT GARANTEE TO HEAVEN. THE TYPE OF HOLY SPIRIT THAT YOU PEOPLE CLAIM BECAUSE YOU SPEAK IN A LYING CONSISTENT TONGUE BUT DEVILS ALSO SPEAK IN TONGUES TOO. WE ARE NOT BEGGING YOU TO BELIEVE THE MESSAGE OF BRANHAM BECAUSE IT WAS NOT MEANT FOR YOU NOR WERE YOU PREDESTINATED TO BELIEVE IT. YOU MUST PASS THROUGH THE TRIBULATION YOU BLIND GUARD. WHETHER YOU CRITICISE THE MESSAGE OR NOT IT WILL NOT STOP GOD FROM DOING WHAT HE IS DOING. YOU ONLY DECEIVE THOSE WITH REPROBATE MINDS AS YOU BUT NOT THE ELECT OF GOD. THE SHOW DOWN IS COMING WHEN WE WILL KNOW WHETHER THE CRIRICS OF THE MESSAGE ARE THE DEVILS OR THE BELIEVERS OF THE MESSAGE. REV. BRANHAM SPOKE SQUIRRELS INTO EXISTENCE CAN THE DEVIL CREATE? I KNOW YOU WILL TELL ME IT WAS A LIE BUT IT WILL NOT CHANGE THAT FACT THAT HE SPOKE SQUIRRELS INTO EXISTENCE BY THE COMMAND OF THE HOLY SPIRIT. WHETHER YOU BELIEVE IT OR NOT YOU HAVE BLASPHEMED AGAINST THE HOLY SPIRIT. CONTINUE TO LEAD YOUR BLIND PEOPLE AS YOURSELF AND LEAVE BRANHAM AND HIS MESSAGE ALONE. WHO ARE YOU TOPRAY FOR THE BELIEVERS OF THE MESSAGE THAT THEY SHOULD BE SAVED WHEN THEY ARE ALREADY SAVED? YOU BETTER PRAY FOR YOURSELF FIRST PLEASE PASTOR. YOU CAN'T GIVE WHAT YOU DON'T HAVE. YOU WANT TO SAFE SOMEBODY WHEN YOU HAVE NOT SAVED YOURSELF. THE MESSAGE IF FOR THE EAGLGES OF GOD WHO WILL NOT FEED ON ROTTENED MANNER BUT ON FRESH MANNER FROM THE THRONE OF GOD. NOT FOR HAWKS AND CROWS LIKE YOU AND YOUR SUPPORTERS. WHETHER YOU LIKE IT OR NOT THE SAME WORDS WHICH YOU ARE AGAINST NOW WILL CONDEMN YOU ONE OF THESE DAYS AND YOU WILL BE FOUND WANTING BEFORE GOD. I AM NOT SAYING THIS TO FRIGHTENED YOU BUT BE WARNED MR. PASTOR. THE DEVIL WILL NEVER ACHIEVE WHAT HE WANTS TO USE YOU FOR AGAINST THE ELECTS OF GOD. WE DON'T BEG PEOPLE TO BELIEVE THE MESSAGE, WHETHER NOBODY BELIEVES IT, YET IT WILL NOT CANCEL THE FACT THAT THE MESSAGE IS THE TRUTH BUT GOD FORBID FOR THERE IS HIS BRIDE TO BELIEVE HIS PROMISED WORD OF THE HOUR. I BELIEVED THE MESSAGE BY REVELATION FROM GOD HIMSELF. THE BIBLE SAYS THERE IS A SOLID FOUNDATION OF THE LORD WITH THESE INSCRIPTION: "THE LORD KNOWS ALL THOSE WHO ARE HIS" THAT SELTTLES IT. SO PEOPLE CAN BE STRUGGLING TO BE FOR GOD BUT HE KNOWS HIS OWN AND HE REVEALS HIMSELF TO HIS OWN. YOU WOULD HAVE KEPT AWAY YOUR PRIDE AND HUMBLE YOURSELF TO GOD ASKING HIM TO REVEAL TO YOU THE MINISTRY OF REV. BRANHAM RATHER THAN TALKING AGAINST WHAT YOU DON'T UNDERSTAND. WE SERVING A LIVING GOD WHO REVEALS HIMSELF TO THOSE WHO SEEK HIM DELIGENTLY. IF YOUR OWN GOD IS DEAD MINE IS NOT DEAD HE STILL ANSWERS PRAYERS FROM A SINCERE HEART AND NOT A DOUBLE MINEDE HEART. SO REPENT PLEASE MR. PASTOR FOR THE SAKE OF YOUR SOUL OR IF YOU ARE DETERMINED FOR THE TRIBULATION THEN THE CHOISE IS YOURS. SATAN WILL ALWAYS OPPOSE THE TRUTH BECAUSE HE IS THE ACCUSER OF THE BRETHREN. CAN'TN YOU ASK YOURSELF THIS QUESTION THAT WHY IS THE WHOLE WORLD EVEN OCCULT GROUPS AGAINST BRANHAM AND HIS MESSAGE IF IT IS NOT THE TRUTH. EVEN DEMONS CONGFESS THAT HE WAS A MAN OF GOD AS THEY DID TO JESUS BUT THE PHARESEES AND THE TEACHERS OF THE LAW WERE CALLING HIM BEELZEBUB SO ITS SAME DEVIL BUT THE PEOPLE HAVE CHANGED. LET THE ELECTS OF GOD REJOICE FOR THEIR DAY OF REDEMPTION HAS COME.
